Professional Summary

Results-driven AI Software Engineer with 4+ years across .NET Core 8, Azure Serverless, and production AI. Architect of Vero (zero-hallucination PR analysis engine), fine-tuned open-weight LLMs, and enterprise IAM automation for 6,000+ users.

Technical Skills

AI, GenAI & NLP	Natural Language Processing (NLP), Generative AI (GenAI), Large Language Models (LLMs), Agentic AI Workflows, Prompt Engineering, RLHF Evaluation Frameworks, RAG Architectures
AI Frameworks & Tools	LangChain, LLM APIs (OpenAI, Azure OpenAI), Vector Search (Cosmos DB), FAISS
Languages	C# (.NET Core, ASP.NET MVC), Python, JavaScript, HTML, CSS, SSMS SQL
Frameworks & CMS	Angular (8–19), Entity Framework, Sitecore CMS
Cloud & DevOps	Docker, Azure Functions, Azure Service Bus, Cosmos DB, Git, Jenkins (CI/CD / MLOps), Postman, Swagger

Professional Experience

ACL Digital — Software Engineer **Aug 2024 – Present**

- %ïArchitected full-stack modules with Agentic AI and LLM APIs using .NET Core 8, Angular 18, EF, and MySQL.
- %ïImplemented RLHF strategies and evaluation frameworks for Generative AI and NLP applications.
- %ïEngineered automated data validation and secure client-side device registration scanners.

Enmarq Technologies — Software Engineer **Aug 2022 – Aug 2024**

- %ïBuilt serverless REST APIs, Azure Functions, Service Bus triggers, Cosmos DB vector search, and RAG ingestion pipelines.
- %ïManaged Git and Jenkins CI/CD and MLOps pipelines for automated testing and deployment.
- %ïAutomated BeyondTrust PAM deployment for 6,000+ users and delivered Sitecore CMS upgrades.

Enmarq Technologies — Intern Associate **Feb 2022 – Jul 2022**

- %ïBuilt Python and C# scheduled jobs to extract and clean Cosmos DB data for analytics and AI workflows.
- %ïValidated microservices endpoints with Postman and Swagger.

Certifications & Education

- **%ï**Microsoft Certified: Azure Fundamentals (AZ-900 / DP-900) **2024 - 2026**
- **%ï**Oracle Cloud Infrastructure: Generative AI / AI Foundation Certified **2023 - 2024**
- **%ï**B.E. Graduate — KVG College of Engineering **Graduated 2019**
